

THE SCIENTIFIC REPORTS OF THE KYOTO
PREFECTURAL UNIVERSITY
AGRICULTURE NO. 26

Contents

Agriculture

- Studies on the phylogenetic differentiation of the industrial crops I
Classification of "Shiso" (*Perilla frutescens* Britton var. *crispa* Decne.)
by the application of the principal component analysis
.....M. MURAKAMI, S. MORI, H. NAKANISHI,
K. YOSHIMURA and S. NAKAMURA... 1
- Studies on the development of floral organ in Japanese persimmon
(cv. Hiratanenashi) after sprouting
.....Y. SOBAJIMA, M. ISHIDA, A. INABA and K. MIYAWAKI... 15
- Histological studies on the degenerative process of pollens in sterile peach
.....M. ISHIDA, A. INABA and Y. SOBAJIMA... 21
- Regulation of ripening in grapes by hormone treatments
.....A. INABA, M. ISHIDA and Y. SOBAJIMA... 25
- Studies on production of vegetable crops in water culture VIII
Seasonal changes in nutrient elements concentrations in culture solution
growing tomatoes as affected by solution renewal method
.....S. TAKASHIMA, S. NISHI, T. NAMIKI,
K. KURODA and N. TANAKA... 32
- Studies on production of vegetable crops in water culture IX
Root porosity of tomato roots as affected by oxygen concentration in
nutrient solution.....T. NAMIKI, S. NISHI, M. ODA and S. TAKASHIMA... 37
- Japanese Mycetophilidae (Diptera) VI
Genus *Boletina* Staeger.....M. SASAKAWA and T. KIMURA... 44
- Change in cellular distribution of myoglobin and cross sectional area of
bovine *longissimus dorsi* muscle fibers during cold storage
.....A. KOMATSU, S. INUI and K. ITAHARA... 67

Forestry

- Relative volume of stem and its growth.....S. OSUMI... 74
- Fundamental studies on the weight increment of AKAMATSU
(*Pinus densiflora* S. et Z.) stand IT. SENOO... 88

Agricultural Chemistry

- Distribution of clay minerals and heavy metals on the cultivated land in
Kameoka basin of Kyoto prefecture
.....T. HATTORI, T. MATSUI and K. YONEBAYASHI... 131
- Characterization of ribonucleic acid with template activity in rat liver ribosomes
.....F. IBUKI, O. KITA, M. MIYOSHI and M. KANAMORI... 144
