

# THE SCIENTIFIC REPORTS OF THE KYOTO PREFECTURAL UNIVERSITY AGRICULTURE NO. 29

## Contents

### Agriculture

- Studies on the yield stability viewed from the point of character manifestation  
variability of crops III  
Change in several characters variabilities occurred within a plant with the  
varietal transition in rice..... H. NAKANISHI, S. MORI, S. CHIKARAISHI and M. MURAKAMI... 1
- Fundamental studies on propagation of Peach (*Prunus persica* Sieb. et Zucc.)  
by stem cuttings I  
Relationship between endogenous nutrient contents in cuttings and the  
rooting ..... H. GENMA, Y. UJIMOTO and Y. SOBAJIMA... 8
- Studies on production of vegetable crops in water culture XVI  
Use of cuttings from young seedlings of tomatoes  
..... T. NAMIKI, M. ODA, Y. KUDO and S. TAKASHIMA... 17
- Studies on production of vegetable crops in water culture XVII  
Effects of age when planted out in culture bed on growth and yield of  
tomatoes..... S. TAKASHIMA, M. MATSUURA, S. YAZAWA, S. NISHI and T. NAMIKI... 23
- Root rot of Mitsuba (*Cryptotaenia japonica* Hassk.) caused by *Pythium* sp.  
I. Symptoms of the disease and characteristics of the pathogen.  
..... Y. MIYATA, R. NAGATA and H. MASAGO... 30
- Root rot of Mitsuba (*Cryptotaenia japonica* Hassk.) caused by *Pythium* sp.  
II. Fine structure of the pathogen cultured with or without sterol.  
..... Y. MIYATA, N. YAMAOKA and H. MASAGO... 38
- Comparison of the ordinary method and the Van Soest method on analysis of  
roughages  
III. Comparison of the methods with silages of different growth stages of  
soiling oat and Italian ryegrass ..... Y. KOJIMA and K. OKANO... 47
- Fatty acid composition of beef cattle adipose tissue lipid  
..... Y. KOJIMA, K. TOGASHI and A. KOMATSU... 53

### Forestry

- A report on environmental conditions of forestry and structures of selection  
forest stands in Imasu district of Gifu Prefecture ..... S. OSUMI... 58
- The heat of wetting of wood in water (III) ..... H. KAJITA... 85

### Agricultural Chemistry

- Isoelectrofocusing of purified chicken ovomucoid..... F. IBUKI and M. KANAMORI... 95
- The identification of a non-dialyzable proteinase inhibitor with the dialyzable  
from eggplant exocarps ..... M. KANAMORI, F. IBUKI, M. TASHIRO and M. YAMADA... 101
