

THE SCIENTIFIC REPORTS OF THE SAIKYO UNIVERSITY

NATURAL SCIENCE AND LIVING SCIENCE

Vol. 2. No. 1.

Contents

A. MATHEMATICS AND NATURAL SCIENCE

- NAKAGIRI, T.: The non-integrability of the standard normal function (1)
HAYASHI, T. & others : Directional Correlation of the Ni⁶⁰ γ - γ Cascade (5)
AZUMA, S.: The Diurnal Variation of Temperature of the Earth's Surface . . . (10)
KUBOTA, T.: The Catalytic Action of Aluminium Chloride (14)
KUBOTA, T.: Determination of Ethylene (21)
NAKANE, T.: New or little-known Coleoptera from Japan and its adjacent
Regions. XII. (24)
NAKANE, T. and KISHII, T.: A few new forms of the Elaterid-beetles (43)
NAKANE, T. and NOBUCHI, A.: A New Genus and Six New Species of
Ciid-Beetles from Japan (47)

B. LIVING SCIENCE

- SUGIHARA, M. and MIMURA, T.: Cooling of Hot Water in Aluminium Pot . . . (53)
SUGIHARA, M. and MIMURA, T.: Heating of Water in Aluminium Pot (57)
HAYASHI, Y.: The Microdetermination of Amino N in Natural Sources (63)
MAKI, Z.: Reduction of Dehydroascorbic Acid by Escherichia Coli (65)
ISHIBASHI, S. & others. : Nutritive Investigation on a Mountain Hamlet (69)

C. SOCIAL WELFARE, CHILD STUDY AND PUBLIC HEALTH

- MIYAKE, M. and DAIDO, T.: The Correlation of Nursing with Education . . . (79)
MIYAKE, M. & others : The Hearing-reaction by Chronoscope for the
blind Children (84)
TERAMOTO, K.: A Classification of Items in Social Welfare & its
Correlated Fields (87)
SONO, N.: A Thought on the Poor (102)
TAKAHASHI, M.: A Study of Sentence-Completion Test for Youth (117)
TUSHIMA, T.: Enuresis in Childhood and its Psychotherapy (131)
